Booth Reservations

Why not reserve your very own exclusive booth at Kingdom-Liverpool for your next special occasion. We have booths that can accommodate small intimate parties or alternatively larger ones which can sit upto 25 people, perfect for Birthdays or any other special night out.

You'll be greeted at the door by one of our hosts who will take you to your seats. One of our fantastic waitresses will then ensure that you receive the best customer service throughout the night. Our hosts and security staff will also ensure that your booth remains exclusive to your party until the end of your night.

Order from the drinks menu or simply purchase a bottle. For every bottle of spirit you purchase we will provide your mixers totally free of charge and our waitresses will present it to you in our customary way with sparklers attached. (A Great way to make a fuss of someone or just plain showing off!!) There is NO charge for this service, we simply ask that a minimum spend is reached on drinks purchased throughout the night or pre-ordered drinks for your arrival. Each individual booth varies in size and therefore the minimum spend is set to the capacity of a particular booth.
